

Discover the Estate

Come and Visit us to share together our passion for the Olive Oil and the Wine world!

VISITING THE MILL

We are going to discover our ancient Olive Trees, the old tradition of pressing the olives with the Stone Mill and the new way of production, the Frantoio, telling you each step of production that turns olives into the Green Gold!

After the tour we will taste the 2 Extra Virgin Olive Oils We produce plunging in a “tornado” of scents and sensations that an olive oil tasting can give. Furthermore, you will have the chance to taste a selection of our Wines.

Write us for further booking info!
